What is a Secret Word

The secret word is a unique word that you create for each recipient. They then will use that secret word to collect the money that you send them.

Example: secretword!

Frequently Asked Questions

Are Secret Word case sensitive?

No. The secret word is not case sensitive.

Are secret words re-usable?

Secret words are re-usable. Although we strongly advise you use a different secret word for every recipient.

The Secret Word will not lock out. Recipient can try as many times as they would like.

After you create your secret word this screen will pop up

Authenticate User

Select a method below to determine how you will receive the authentication code.

Send authentication code by email
caroline@alliedpayment.com

After you click on the method the screen to enter the code comes up.

Authenticate User

We have sent the authentication code to:
caroline@alliedpayment.com

Please Enter the 4 digit authentication code

Authenticate User & Send Money

[Resubmit Authentication Code](#)

An email will be sent to the address listed with a 4 digit code e.g.

Wed 5/17/2017 10:23 AM

Notification Email <DoNotReply@alliedpayment.com>

Allied Payment Access Code

To Caroline Dykehouse

Your Secure Access Code is: 1988

Type in the four-digit code and click “Authenticate User & Send Money.”

---	---	---

If the funds have NOT been collected just click the “Cancel this Payment “

After you cancel the payment the Recipient name is removed from Payments

The funds are collected immediately and go into a holding account. The Recipient has 10 calendar days to accept the payment. If they choose to have the money placed on a debit card the transfer, depending on network, is immediate. Should they want the funds deposited into an account it may take 2 business days. If the payment is cancelled before being collected by the recipient or if the recipient does not collect the fund within the 10 calendar days, the funds are automatically returned to the payee's account.

Under Recipients you will find a list of active receivers.
