

May 5, 2020 - **UPDATE**

Dear WVFCU Members,

RE: Special Hours of Operation -COVID 19

As the Coronavirus (COVID-19) health emergency continues to evolve throughout our communities so does our concern for the health and welfare of our membership and our staff. Effective March 16, 2020, the Governor of West Virginia declared a state of emergency for our area. Additionally, health officials have reduced guidance on the maximum number of people for safe "Social Distancing". In response to this health threat, WVFCU has determined that for the health safety of all, WVFCU will close our lobbies to walk-in traffic beginning Monday, March 23, 2020 until additional guidance from health officials release additional guidance on social distancing. **This change is for our lobby services only.** Our Drive-Thru facilities will continue to be open and available to transact business and answer service questions Monday-Friday, 8:00am to 5:30pm. Appointments for new accounts, loan and collection business will also be available by appointment only by calling [304-744-MyCU \(6928\)](tel:304-744-MyCU). Our main telephone support lines will be expanded to provide telephone support services from 8:30am to 5:00pm Monday-Friday.

As an added reminder, we encourage you to use our 24/7 eServices for added convenience and self-service.
