Program terms and conditions

- I. Description of the Program
- II. Travel Rewards
- III. Non-Travel Rewards
- IV. Toll-Free Participant Access & Contact Information

I. Description of the Program

- Cardholders will earn My Rewards Plus (“Points”) for purchases of all eligible goods and services using the sponsoring financial institution’s rewards card (“Card”). For the point accumulation rate, please visit the program website or contact your financial institution for detailed information.
- Point earnings are based on the net retail purchase transaction volume (i.e., purchases less credits, returns, reversals and adjustments) charged to the card during each billing cycle (“Billing Cycle”) by the cardholder(s) (“Net Purchase(s)”). Net purchases are rounded to the nearest whole dollar and are subject to verification. If a transaction is subject to a billing dispute, the point value of the transaction may be deducted from the point total during the dispute period. If the transaction is reinstated, points will be reinstated.
- Points will be earned separately for each reward card including those that are linked to the same reward account.
- Points may not be combined with any other loyalty/frequency reward program.
- Points will not be earned or accumulated for cash advances, convenience checks, traveler’s check purchases, finance charges, late fees, annual fees, over-limit fees or transaction fees. At the Financial Institution’s option, additional exclusions may be included in the rules governing the My Rewards Plus program.
- The financial institution reserves the right to, at its discretion, award bonus points to selected cardholders for any activity or condition.
- Points are not the property of the cardholder, and cannot be bought, sold or transferred in any way (including, but not limited to, upon death or as part of a domestic relations matter).
- Points are tracked and redeemable on a first-in, first-out basis. Visit the program website to determine when your points expire.
- To redeem points, cardholder’s account(s) must be open (meaning not voluntarily closed, canceled, suspended or terminated for any reason); account must not have a revoked or in-bankruptcy status; and the card cannot have any other status preventing authorizations.
- The cardholder agrees to release the sponsoring Financial Institution, its vendors, ampliFI Loyalty Solutions (“administrator”), and its vendors from all liability for any injury, accident, loss, claim, expense or damages sustained by the cardholder, associated with a reward or use of rewards while participating in this program and in the case of a travel reward, anyone traveling with or without the cardholder, in connection with the receipt, ownership, or use of any reward. The administrator and the financial institution shall not be liable for consequential damages, and the sole extent of liability, if at all, shall not exceed the actual value of the reward.
- The cardholder is responsible for determining any tax liability arising from participation in the program. Consult a tax advisor concerning tax consequences.
- The financial institution and the administrator shall have no liability for disagreements between cardholders regarding points. Discrepancies about point earnings are not treated as billing disputes. The financial institution decisions regarding point discrepancies shall be final.
- Points are deducted from the cardholder’s point balance as soon as they are redeemed.
